

We are looking for REAL HEROES - Show us what you're made of!

RODOPI Blades, headquartered in Düsseldorf, is an international service partner for the assessment, maintenance, repair and overhaul of rotor blades on wind turbines. The well-rehearsed team of experts with many years of experience and comprehensive know-how stands for high performance, flexibility and quality work.

For further support, we are looking for worldwide project assignments with immediate effect for a:

Rope Access Technician (worldwide) (m/f/d)

Your tasks:

- Inspection and damage assessment on rotor blades of onshore and offshore wind turbines
- Documentation of inspections and repairs
- Implementation of retrofit measures and installation of special components directly at the plant
- Execution of technical and service-specific guidelines and instructions
- Repair and maintenance tasks as well as repair of rotor blades
- Troubleshooting and fault rectification

Your qualifications:

- Training as Industrial Climber/Rope Access Technician (m/f/d) with FISAT Level 1, 2 or 3 or specific work experience

or:

- Completed technical education or equivalent professional experience
- Motivation to complete an On/Offshore Service Technician training in Greece and/or Germany, as well as in Europe-wide assignments

Furthermore, you bring along:

- Good technical understanding
- Additional qualification "Service technician in wind power" desirable
- Knowledge in the field of fibre composite technology or lamination of GRP or interest in acquiring knowledge in this field
- Physical fitness and resilience
- Swimming ability
- Ability to work at height and in the open sea
- High ability to work in a team
- Care and reliability
- Flexibility and willingness to travel
- Fluent in German or Greek (advantageous)
- Good command of spoken and written English
- IT knowledge

Your benefits at RODOPI:

- Trainings and courses with partners & at the RODOPI Academy
- Regulated working hours and rest periods
- Attractive payment according to collective agreement incl. payment of surcharges
- Opportunities for advancement are given with appropriate aptitude
- RODOPI as a strong partner at your side

Are you interested in an exciting and attractively paid job in an international environment? Then send us your application by e-mail to Mr. Mouzafer Ismailoglou (career@rodopi.de). Please indicate your earliest starting date and salary expectations. Our office in Greece will be happy to answer your questions by phone at **0030 25410 22000**.
