

We are looking for REAL HEROES - Show us what you're made of!

The RODOPI Group, headquartered in Düsseldorf, is an established, international service partner for projects in the fields of corrosion protection and surface treatment of ships, yachts, wind turbines and steel structures.

RODOPI Blades concentrates on the assessment, maintenance, repair and overhaul of rotor blades on wind turbines. For the RODOPI Group, people with their skills, experience and motivation are decisive. Therefore the focus is on the fair employment of trained specialists and a very trusting contact with customers and employees.

Due to continuous business expansion, we are looking for the following new position for our customers in the shipyard and offshore sector in Northern Germany as of the next possible start date:

Quality Inspector FROSIO // FROSIO Coating Inspector (m/f/d)

Your duties:

- Preparation and review of documentation
- Quality control of the orders in the dock & hall
- Examination of the orders according to specification/requirements and notification to employer in case of deviation
- Review of orders for a successful inspection (access & availability, light, etc.)
- Uniform logging of orders in accordance with DIN EN ISO 12944 to guarantee warranty claims
- Carrying out inspections in the defined area of responsibility

Your qualifications:

- Certified Frosio-Inspector according to NS 476 or equivalent qualification
- Experience in quality management
- On- and Offshore expediting-/ construction site experience in the field of coating of steel structures
- Occupational safety on construction sites
- Independent work, strong communication skills and a high level of customer orientation
- Willingness to travel
- Good command of spoken and written English

Your benefits at RODOPI:

- You benefit from an attractive, above-average remuneration package
- Regulated working hours and rest periods
- You can expect an international, dynamic, open-minded and very friendly company with further growth potential
- You will receive support in your personal and professional development, e.g. trainings and courses at our partners & at the RODOPI Academy
- RODOPI as a strong partner at your side

The company is based in the surroundings of Bremerhaven, Wismar, Rostock and Stralsund.

Do you find yourself again? Then don't hesitate to apply to us! Please send your application by e-mail to Lisa Masannek (career@rodopi.de), stating your desired salary and period of notice.
